Dear Matthew,

We are pleased to confirm that the request to assign Li Teng's novated lease to yourself has been approved.

Attached the Quote and the Agreements required to complete this process.

1. Deed of Assignment

This document formally assigns the lease to you upon completion.

- Please review the details carefully and confirm that all information is accurate. If any amendments are required, kindly let us know.
- Additionally, please arrange for the Deed of Novation and Guarantee to be signed by both Li Teng and yourself, with both signatures appropriately witnessed.

2. Your Renovation Quote

If you're happy to proceed with this quote, please sign and return it to us. Once received, we'll coordinate with your employer to arrange approval for your renovation.

Notes

- Your package has been quoted to commence from the August finance payment. This is dependent on all documents and approvals being received before the end of the month.
- We confirm that your original finance agreement remains unchanged, the monthly rental, lease term and end date and the residual final amount have not changed in any way.
- The included services and their budgets are noted on the quote.
- These budgets have been calculated based on several factors, including your vehicle's age and your current and projected annual kilometers. As your account will commence with a zero balance, please review the quote carefully to ensure the budgets align with your expected usage.
- Please contact us if you have any questions or wish to amend any of your running costs.

SG Fleet Vero Insurance Policy

- Pages 3 to 6 of the attached quote document outlines the sgfleet insurance policy. Also attached is the Product Disclosure Statement and Financial Services Guides. These documents should be read in conjunction with each other and should be considered prior to making your decision.
- Please note that this insurance will not be in place until your renovation is complete.
- Should you elect to arrange your own insurance, please let us know so we can update the quote.

3. The Novation Agreement - The purpose of the novation agreement is to transfer the liability of the lease agreement to your new employer; this will then allow you to salary package your vehicle.

- Please review the attached novation agreement and confirm all the details are correct, if they are, please print and sign.

- Once signed, please scan, and return to us - renovations@sgfleet.com. We will submit this to our contact at your employer for approval and sign off.

Important:

- Until your vehicle's reassignment is finished, please make sure that the finance payments stay up to date. SG Fleet isn't able to cover missed rental payments, and any overdue amounts could delay the completion of your renovation.
- Once your renovation has been settled, we'll let you know when SG Fleet can begin making the monthly finance payments on your behalf.

I look forward to receiving the requested documents at your earliest convenience. Please don't hesitate to reach out if you need any further information from me in the meantime.

Thank you and kind regards.

Actually, as a clarification - do I need to obtain a signature from my employer - or is that something you do for us?

Good Afternoon Matthew,

Thank you for returning your quote documents to us.

On review, I can see that we are missing Reassignment Quote. Can you please forward over to us so that we can get this finalized for you.

Please ensure that you continue to make your finance payments as the funder may decline the renovation if there are arrears on the account.

Kind regards

Thank you for returning your quote documents to us.

I can confirm that we have all that we need and that I have sent this into your employer for their approval.
